

ROBIN CROW

Robin Crow Introduction (non guitar)

Robin Crow's journey from struggling musician, to RCA recording artist, to best-selling author, to successful entrepreneur is an American success story. He is the CEO of three companies in three different business sectors..., all which have achieved sustained success.

For the past 25 years, he has led his company Dark Horse Recording to become one of the most successful recording destinations in the world—home to Taylor Swift, Keith Urban, Carrie Underwood, Tim McGraw, Matchbox 20, Neil Diamond, Alice in Chains and countless others.

In 2008, Robin founded Dark Horse Institute, offering programs in Audio Engineering, Music Business and Video Production. Students come from as far away as China to study at their two Nashville campuses.

Robin has written five books... his latest, *Evolve or Die*, reached #5 on the USA TODAY Business Best-Seller list.
